David Washington

INT. RUINED CASTLE - DAY

We see MOTHER (25) wearing black robes, a sheathed sword, and carrying BOY (2) in her arms. They walk through the ruined castle until they finally reach a DOOR.

Mother pulls it open, revealing a GRAND HALL. On the ground and in the middle of the Grand Hall are eight runic SYMBOLS that are all GLOWING with some type of light.

Mother walks past the symbols towards one of the walls. While holding Boy, Mother takes her sword and starts to carve symbols into the wall. The screen fades to black.

EXT. RUINED CASTLE - DAY

We now see Mother (30) teaching Boy (7) how to shoot a bow. Mother locks and shoots an arrow at a makeshift target made out of wood that's set 30 yards away. She hands the bow to Boy.

MOTHER

No food or water until you hit the target.

Mother sits down nearby as Boy looks at the bow with determination. He locks the bow and fires, but it falls short a couple of yards.

He tries again, but the arrow once again falls short. Boy continues to try over and over while Mother continues on looking at him.

EXT. RUINED CASTLE - DUSK

The sun is setting as we see Boy, much more tired and weak, locking another arrow. He pulls back and releases the arrow which flies into the makeshift target for the first time.

Boy turns around and looks at Mother excitedly.

BOY

I did it Mother! I did it!

Mother simply gets up and starts to walk inside.

MOTHER

Tomorrow you'll only have an hour.

Boy's excitement quickly fades as he follows after Mother.

INT. TRAINING ROOM - DAY

We see Mother (40) and Boy (17) standing in the middle of one of the Ruined Castle's rooms. Boy is holding a steel SWORD as he practices swinging.

After another swing, Boy suddenly collapses onto his knee and starts to try and catch his breath.

MOTHER

Stand!

Boy looks at Mother and then gets up on his two feet while still breathing heavily.

MOTHER (CONT'D)

One hundred more. Then you practice your archery.

Boy pulls up the sword and starts to swing again.

EXT. RUINED CASTLE - DAY

Mother (45) and Boy (22) walking outside of the castle. Mother suddenly stops and looks up at the top of the castle.

MOTHER

Follow me up, then I'll know that you're ready.

Mother starts to expertly climb up the ruined castle walls. Easily making it all the way to the top. Boy walks up to the wall and takes a deep breath.

End.
