INT. GRAND HALL - NIGHT

BOY walks sheepishly through the door and into the Grand Hall. MOTHER, pacing back and forth on her cane spots Boy. She at first seems relieved, but that is quickly replaced with anger.

MOTHER

Where have you been?! The Great Voices have told me you didn't allow them to transport you back here! What have you-

BOY

Why do the eight monsters have human memories?! Why do I have to kill them?!

Mother's anger vanishes as she looks at Boy. She opens her mouth to speak, but nothing comes out. She instead looks away from Boy.

BOY (CONT'D)

Why can't you answer my questions?! Did you know about this the whole time?

Mother continues to stay silent.

BOY (CONT'D)

Have you been lying to me my whole life?!

A small pause.

BOY (CONT'D)

Am I even your child?

Boy looks at Mother with pleading eyes. Mother sees them and almost seems to crack, but she manages to put on a straight face.

MOTHER

You don't need to ask questions. All you need to do is kill the remaining monsters.

Boy's pleading face turns into anger as he turns away from Mother.

BOY

You know what? I'll just break the seal and leave.

BOY (CONT'D)  
I'm sure the outside world would be  
able to at least answer some  
questions.

Boy continues to walk towards the exit with an angry look on his face, but Mother starts to panic. She drops her cane and quickly limps over to Boy and grabs him.

BOY (CONT'D)  
Let go of me!

Boy's body starts to GLOW as he pushes Mother off of him. Mother flies across the room and hits a wall with a loud thud.

BOY (CONT'D)  
I didn't mean to... Mother!

Boy runs over to where Mother is and starts checking for injuries. While he's doing this Mother's eyes open and she looks at her hands. On them, some sort of DARKNESS is spreading.

MOTHER  
You need to leave.

BOY  
I need to make sure you're not-

MOTHER  
Leave! You need to go before I-  
AHHH!

Boy lets go of Mother as she starts to thrash around in pain. The darkness that started on her hands has started to spread rapidly through her body until she is almost completely covered by it.

As Boy looks on horrified, Mother notices him and puts on a forced smile.

MOTHER (CONT'D)  
I'm sorry.

Mother's body gets covered in darkness. Her bones cracking and crunching can be heard as her body starts getting larger. She eventually gets to the point where we can see that she has turned into a WOLF-LIKE MONSTER.

The Monster looks at the terrified Boy.

MONSTER  
RAAAWRRRRR!!!
