HEAD LIGHT BEARER
What's the meaning of this!?

Head Light Bearer pulls the sword out from his body and starts to back away as some sort of glowing yellow liquid oozes from his wound. He looks around frantically.

HEAD LIGHT BEARER (CONT'D)
Has the Entity taken control of
your body!?

Arthur doesn't say a word. He takes a step forward and Head Light Bearer takes a step back.

HEAD LIGHT BEARER (CONT'D)
You'll make my sacrifice
meaningless!

ARTHUR

HEAD LIGHT BEARER
I've sacrificed my life to seal

the Entity was sealed.

BEGIN FLASHBACK:

INT. GRAND HALL - MOMENTS LATER

The Head Light Bearer SCREAMS out in pain as his body gets torn apart by the darkness that's covering his body. It gets split up into 8 different parts and they each head towards one of the Light Bearers. By then the screaming ends and everything turns deathly silent.

Arthur breathes a sigh of relief as he looks up at the ceiling with a bittersweet expression. But his expression turns into horror as he looks back down. On the ground in the middle of the Grand Hall, one of the 8 symbols are still GLOWING.

An image pops up. It shows the 8 Light Bearers, the Head Light Bearer protecting a LITTLE GIRL. The same little girl that wanted to open her own flower shop.

ARTHUR (CONT'D)
She wasn't-

The wall explodes as a hand of a DRAGON-LIKE Monster immidatly pins Arthur down to the ground.

Arthur tries to get up, but the Monster keeps him pinned down. As he continues to struggle, his skin starts to slowly get covered in darkness.
